### ANNUAL GATHERING FOR PARENTS:

18<sup>th</sup> August in St. Charles', Paisley. This gathering is organised and run by the Scottish Catholic Education Service Parent Group. In this historic year, as we mark the centenary of our Catholic schools being run in partnership with local government, and when we see the introduction of a new Education Bill into law, it is more important than ever to promote the role of parents as the first educators of their children. This one-day event gathers parents from across all of our Dioceses and offers support, encouragement and the opportunity to talk with other parents about the challenges and joys of sharing faith with children and young people in today's world. The event is free, but in order to organise catering and resources we would ask that you book a place by phoning SCES on 0141 556 4727 OR emailing [parents@sces.uk.com](mailto:parents@sces.uk.com)

### THE JUSTICE AND PEACE GROUP

#### World Refugee Day highlights 'crisis of solidarity'

Fr. Aloysius Mowe, International Director for Advocacy and Communications at Jesuit Refugee Service (JRS), says World Refugee Day is a time to reflect on the world's response to the "crisis of solidarity" regarding refugees.

*"World Refugee Day, this year, reminds of the record number of refugees in the world today and of the need for greater solidarity, especially in the global north."*

Jesuit Fr. Aloysius Mowe of Jesuit Refugee Service made the comment in a video interview with Vatican News.

Pope Francis, he said, has called the current situation "a crisis of solidarity", more than a refugee crisis.

He said the Pope has invited people around the world to respond to the crisis by "welcoming refugees, protecting them, promoting their needs and their causes, and integrating them into our communities." These, Fr. Aloysius said, are "concrete ways to live the Gospel today."

### GOING INTO HOSPITAL?

If you wish to see a Catholic Chaplain during your stay in hospital, you need to ask the hospital staff to contact him. There is always a priest on call for emergencies, but staff will not page the priest unless asked by patients or Families. Patient's Religious Declaration, which a person when admitted to hospital, or a relative/friend, should give to ward-staff to ensure they can see a Catholic Chaplain. This can also be achieved through a verbal-request to staff. This is necessary due to the way confidentiality rules are applied in most hospitals.
