works to help children and adults who have a learning disability to play a full part in the life of the Church. We do this through forming small communities of faith within parishes where we journey in faith and friendship together. We need more helpers to carry on this work in parishes throughout Glasgow and particularly in the south east deanery. At the Easter Vigil we shared the light of Christ with one another. Could you share that light with others in a SPRED group? **COAST TO COAST PRAYERS FOR PEACE**

–Archbishop Tartaglia has encouraged Catholics in the Archdiocese to pray the Rosary as part of a unique day of prayer around the coast. The "Rosary on the Coast Campaign" is a new initiative encouraging people to gather on the last Sunday of April at 3pm and pray the Rosary for life, faith and peace. Parishes are being invited to organise a gathering at a coastal area suitable to themselves. And already groups have signed up to pray at Ardrossan, Largs, Troon, Prestwick and Ayr while St Martin's in Renton will participate at Levensgrove Park in Dumbarton. Archbishop Tartaglia has backed the campaign. He said: "I am delighted to see the initiative of praying the Rosary round the coast spring up from the grass roots of the Church. It shows the depth of faith of our lay people and the strength of their devotion to Our Lady..." Full information can be found at: [www.rosaryonthecoast.co.uk](http://www.rosaryonthecoast.co.uk)

**GOING INTO HOSPITAL?**

If you wish to see a Catholic Chaplain during your stay in hospital, you need to ask the hospital staff to contact him. There is always a priest on call for emergencies, but staff will not page the priest unless asked by patients or Families

Patient's Religious Declaration, which a person when admitted to hospital, or a relative/friend, should give to ward-staff to ensure they can see a Catholic Chaplain. This can also be achieved through a verbal-request to staff. This is necessary due to the way confidentiality rules are applied in most hospitals.
