### GOING INTO HOSPITAL?

If you wish to see a Catholic Chaplain during your stay in hospital, you need to ask the hospital staff to contact him. There is always a priest on call for emergencies, but staff will not page the priest unless asked by patients or Families. Patient's Religious Declaration, which a person when admitted to hospital, or a relative/friend, should give to ward-staff to ensure they can see a Catholic Chaplain. This can also be achieved through a verbal-request to staff. This is necessary due to the way confidentiality rules are applied in most hospitals.
