GOING INTO HOSPITAL?

If you wish to see a Catholic Chaplain during your stay in hospital, you need to ask the hospital staff to contact him. There is always a priest on call for emergencies, but staff will not page the priest unless asked by patients or Families. Patient's Religious Declaration, which a person when admitted to hospital, or a relative/friend, should give to ward-staff to ensure they can see a Catholic Chaplain. This can also be achieved through a verbal-request to staff. This is necessary due to the way confidentiality rules are applied in most hospitals.

PROTECTING YOUR INFORMATION

Due to the new GPDR rules, as of 25 May 2018, - we are not permitted to publish or announce names of the sick and deceased.

Please be assured we will still remember all those in need of our prayers.
